CONCEPT

The Brussels Makers Market is a monthly event showcasing unique and handcrafted creations by local talents, perfect for discovering handmade pieces and supporting regional craftsmanship.

Our market is based on three key criteria:

- Local or fair-trade artisanal production
- Sustainability
- Originality

TOUR & TAXIS - MARITIM STATION PLACE

Main entrance: Rue Picard 7, 1000 Bruxelles,
Secondary entrance : Avenue du Port 86C, 1000
Bruxelles

The Brussels Makers Market takes place in the stunning Gare Maritime at Tour & Taxis, a former port that has been beautifully renovated with a contemporary touch using wood and surrounded by plants. It's a true indoor city, featuring offices, shops, art galleries, stalls, and a food market spread over 47,000 square meters. Tour & Taxis aims to create a space for relaxation and cultural gatherings in an eco-friendly spirit, hosting numerous events. Our event benefits from these efforts and the other activities organized at Tour & Taxis, including in the Maritim Station, the Sheds, and the Royal Depot.
