1. CONCEPT

Makers Market

“The Maker Market is a market dedicated to local makers, designers and brands. At the market you can discover the newest and finest locally produced and designed products and their stories.”

Based on the already well-established Makers Market in London & Amsterdam, we wanted to establish the Market in Brussels. Bring together various artists, creatives, handymen within the same space.

In this market you will find creations and products from real Belgian manufacturers, both professional and amateur.

A selection will be made based on 4 criteria:

- Local or fair-trade artisanal production

- Durability

- Originality

- The presence of the creator.

3. VENUE

Gare Maritime - Picard street 7, 1000 Bruxelles

The Brussels Makers Market takes place in the magnificent Tour & Taxi Maritime Station, which is an old port, completely refurbished in wood and lined with plants. It is a real inner city, with offices, shops, art galleries, stalls and a food market, in total it is 47,000 square meters. Tour & Taxi wants to create a place where cultures can relax and come together in an eco-responsible way, with many events organised, so our event takes advantage of these efforts and the other events organised at Tour & Taxi in the ferry terminal, in the Sheds and in the Royal Depot.

4. ÉVÉNEMENTS

Upcoming events in Tour & Taxi

14th May

Sheds: InkSpired, Tatoo Fest. The tattoo convention will take place over two days, on 13 and 14 May.

Straet fest, street food festival: street food actors with gourmet chefs, concerts, food workshops and local producers.

June: upcoming event

Apart from these events, Tour & Taxi is a place of passage and leisure for families in and around Brussels. In the Gare Maritime, the food market, which brings together top Brussels chefs, the various bars and kiosks that line the station and allow for meetings with friends and family, the various art galleries, exhibitions and the Brussels makers market make it an ideal place to stroll.

Outside, a green space, a meeting place of 9 hectares in the middle of the city, an emblematic fritkot (we are in Belgium after all 😊) are the favourite playground of children or those who simply want to rest in a green space.

In conclusion, the BMM benefits from the passage of Tour & Taxi and the events organized, but not only, the communication of the BMM on the networks also makes it possible.

APPLICATION

Wanna join the Market?

To participate, send us an email: brusselsmakersmarket@gmail.com

The number of places will be limited.

We will try to vary the different types of artisans as much as possible and to follow our values in terms of the selection criteria.

The presence of our artists on site is of course essential in order to create direct links with the public 😊
